THE INTERNATIONAL CONFERENCE ON DATA SCIENCE AND MANAGEMENT (ICDSM-2019)

ICDSM Conference Dates : 22nd, 23rd February 2019 **

About the Conference

The international Conference on Data Science and Management (ICDSM-2019) aims to bring together leading academic scientists, researchers and scholars to exchange and share their experiences and research outcome on all aspects Data Science along with its application.

IMPORTANT DATES :

● 30th December 2018 : Full Paper submission ● 9th January 2019 : Notification of acceptance ● 20th January 2019 : Camera ready paper submission

Call for Research Papers

● Be part of our conference ● Topics interest include, but are not limited to: **TECHNICAL SESSIONS**

TRACK - 1

- 1.Data and Knowledge visualization
- 2.Knowledge discovery and management
- 3.Application of data in cloud
- 4.Deep Learning
- 5.Natural language processing, geo location handling
- 6.Application of Data Mining Methods
- 7.Big data and applications

TRACK - 2

- 1.Application of Virtualized data
- 2.Data intelligence in IoT
- 3.Industry 4.0 and digital manufacturing
- 4.Data driven approximation
- 5.Traffic Engineering
- 6.Artificial Intelligence Applications in Transportation
- 7.Jet Grouting Column Diameter Prediction

Proceedings of the Conference will be published by Springer Nature(Springer LNDECT Series and will be Indexed in ISI Proceedings, EI-Compindex, DBLP, Google Scholar and Springerlink).
