Secretary, Department of Skill Development & Technical Education, Government of Odisha; Dr. Srikant Kumar Das, Deputy Director, Directorate of Economics & Statistics, Government of Odisha; and Dr. J. P. Mishra, Vice-Chairman, GIET.

ATCF 2K26: A Celebration of Innovation and Culture at GIET Baniatangi

The Annual Techno-Cultural Festival 2K26 at GIET, Baniatangi unfolded with vibrant energy, innovation, and creativity.

*From the Editor's Desk*

Dear Readers,

Greetings! We are delighted to present the latest edition of Campus Focus, bringing you a comprehensive glimpse into the recent achievements and activities of our institute. We proudly bring to you the first edition of Campus Focus (Vol. 15, II Edition) for 2026. This session at GIET marks a significant phase of growth, dedicated efforts, and notable accomplishments. The beginning of this year has been filled with enthusiasm, knowledge, and intellectual vibrancy. Each year, our organizing team invests immense effort, creativity, and dedication in shaping this magazine.

Our campus has been vibrant with a wide range of spectacular events, commemorations, and festive celebrations. The diverse array of knowledge-driven activities undertaken by our students and faculty is truly commendable. Innovative ventures and exhibitions, reflecting perspectives on science, technology, and socio-behavioral issues, are certain to inspire and engage readers. By showcasing student talent and providing opportunities for growth, we aim to build confidence through consistent and meaningful efforts. This approach contributes to creating a dynamic campus environment where students can learn, grow, and excel.

The college quarterly newsletter serves as a platform to highlight the literary and creative talents of both students and staff. It primarily focuses on documenting college events, significant research initiatives, student achievements, and features articles that reflect various academic and co-curricular endeavors. I am confident that this edition will be both informative and enriching, offering valuable insights into the diverse pursuits of our academic community.

The magazine continues to expand its horizons, striving to become a truly representative student publication. We aim to extend our presence into the digital space through the introduction of a blog, where we seek to actively engage the college community by publishing creative content, organizing competitions, and providing timely coverage of campus events.

This magazine is the collective effort of the editorial board, whose dedication and teamwork have made this publication possible.

AWARDS & RECOGNITIONS

“Coming together is a beginning; keeping together is progress; working together is success.”

[Big cheers to VISIONERS and AGNIVEERYA team for their outstanding achievement at HackForge 2.0]

[Honoring excellence and dedication, our NCC Sr. Under Officer Alok Bihari felicitated at Battalion HQ]

[Our esteemed Principal was felicitated by Amiya Kumar Rath, Hon'ble Vice Chancellor, at Biju Patnaik University of Technology, Rourkela, in recognition of the unwavering support and enabling environment provided by GIET, Baniatangi..]

[GIET, Baniatangi has been honoured by the Department of Forest, Environment & Climate Change for its outstanding contribution to plantation and afforestation on the occasion of World Forestry Day 2026.]

[Our brilliant students made a powerful mark at the Tech Carnival hosted by Biju Patnaik University of Technology, securing multiple prizes across diverse events and showcasing their technical excellence on a grand platform.]

[Received Award as Runner in Innovate X 5.0 – National Level Hackathon at GIET, Baniatangi]

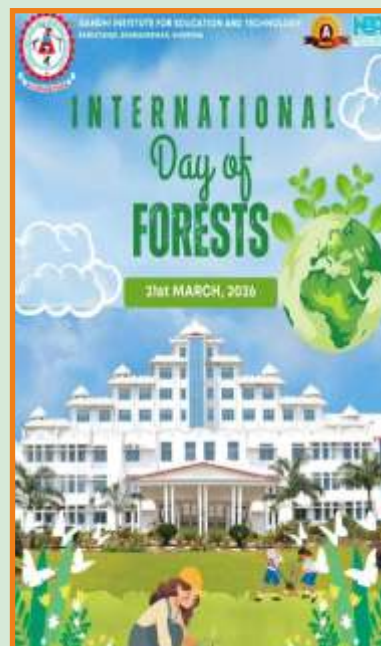

Events in the Campus

Awareness Program on Drug Addiction: Promoting Prevention and Recovery

The NSS Wing of GIET, Baniatangi, in collaboration with UCCIL Ladies Forum, successfully organized an awareness program on drug addiction, highlighting its devastating effects and the path toward prevention and recovery. Eminent speakers shared valuable insights, inspiring students to make informed and healthy life choices.

International Forest Day: Commitment to a Greener Future

On this International Forest Day, GIET, Baniatangi reaffirms its commitment to a greener and more sustainable Earth. Through regular plantation drives and awareness initiatives, the institution continues to nurture nature and inspire meaningful change. Together, let us protect our forests for future generations.

A Mesmerising Musical Evening at ATCF 2K26

The stage of GIET, Baniatangi came alive with the electrifying performance of Senjuti Das, Indian Idol finalist and Bollywood singer, creating a truly melodious evening at the Annual Techno-Cultural Fest 2K26. With her powerful vocals, vibrant stage presence, and a series of soulful performances, Senjuti Das captivated the audience, turning the evening into a magical musical experience cherished by all present. Around 3,500 students, faculty members, staff, invitees, and parents gathered to witness and enjoy this unforgettable musical night filled with energy, rhythm, and celebration.

Workshop On “Electric Automobile Technology”

A one-day workshop on “Electric Automobile Technology” was successfully organized by the IIC Cell and the Department of Mechanical Engineering in association with Arcon Motors. The workshop provided valuable insights into the latest advancements in electric vehicle technology, encouraging innovation, sustainability, and practical learning among students.

Mega Blood Donation Camp

A Mega Blood Donation Camp was successfully organized by the NSS Wing of GIET, Baniatangi on 11th March, in association with Ama-Odisha Charitable Trust. The camp was efficiently managed with the dedicated support of NCC cadets, collecting 100 units of blood and contributing towards saving precious lives.

The camp was inaugurated by Hon'ble Vice-Chairman of the institute, Dr. J. P. Mishra.

InnovateX 5.0 – National Level Hackathon

The national-level hackathon InnovateX 5.0 was successfully inaugurated at GIET, Baniatangi, in the esteemed presence of Prof. Jasobant Jena, Director, IMA; Dr. Hemant Kumar Rath, Principal Scientist & Distinguished Engineer, TCS Research; and Dr. J. P. Mishra, Vice-Chairman, GIET.

This iconic event opens exciting opportunities for innovators, developers, and startups to showcase their ideas, collaborate, and build solutions for the future.

Day 2 of InnovateX 5.0 – National-Level Hackathon at GIET, Baniatangi concluded with immense enthusiasm, innovation, and inspiring technological ideas. Young technocrats from across the country showcased creative solutions to real-world challenges, opening new avenues for entrepreneurship and startups. The event was graced by Mr. Sukant Kumar Pradhan, Hon'ble Additional Secretary, Department of Skill Development & Technical Education, Government of Odisha, and Dr. Srikant Kumar Das, Deputy Director, Directorate of Economics & Statistics, Government of Odisha, who interacted with the participating teams and appreciated their innovative spirit. The hackathon culminated in a grand award ceremony, recognizing the winners across various tracks, along with exciting opportunities and offers from leading software companies for the talented participants.

International Women's Day: "She Leads, She Inspires"

Celebrating strength, leadership, and inspiration at GIET, Baniatangi on International Women's Day. With the theme "She Leads, She Inspires," the campus came alive with vibrant activities, exciting competitions, and well-deserved prizes, honouring the incredible spirit of women. The celebration was further enriched by the presence of Sumati Tripathy, who graced the occasion and made it even more special. Here's to the women who lead, inspire, and empower every day.

Annual Techno Cultural Festival

The Annual Techno-Cultural Festival 2K26 at GIET, Baniatangi unfolded with vibrant energy, innovation, and creativity. The event was graciously inaugurated by Amiya Kumar Rath, Hon'ble Vice Chancellor of Biju Patnaik University of Technology, who emphasized team building, sustainable development, quality education, and holistic growth. Karunakar Nanda, Hon'ble Director, Institute of Physics Bhubaneswar, also graced the occasion, visited the tech exhibitions, and appreciated the excellent innovative efforts of the students.

The event was further enriched by the presence of Bibhu Panda, Delivery Centre Head, Tata Consultancy Services, who shared inspiring insights on artificial intelligence and human potential, and Srimant Acharya, Executive Director of Deloitte South Asia, who highlighted the importance of cybersecurity, curiosity, and common sense in driving technological change.

Technical Excellence

Our brilliant students made a powerful mark at the Tech Carnival hosted by Biju Patnaik University of Technology, securing multiple prizes across diverse events and demonstrating their technical excellence on a grand platform. Their achievement reflects the culture of innovation, discipline, and academic strength that defines our institution. We are immensely proud of our champions and the mentors who guided them to success. The momentum continues—and the best is yet to come

Tata Passenger Electric Mobility Limited (TPEML)

Tata Passenger Electric Mobility Limited (TPEML), the electric vehicle division of Tata Motors driving India's EV revolution, conducted an on-campus recruitment drive at GIET, Baniatangi on 11th February, 2026. The initiative provided students with a valuable opportunity to shape the future of next-generation transportation and engage with cutting-edge engineering and green technology, particularly in the design, manufacturing, and advancement of electric and hybrid passenger vehicles.

Maruti Suzuki India Limited (MSIL)

Maruti Suzuki India Limited (MSIL), India's largest automobile manufacturer, renowned for its innovation, reliability, and engineering excellence, conducted a campus recruitment drive at GIET, Baniatangi from 13th to 15th February. The initiative offered aspiring engineers a remarkable opportunity to engage with one of the country's most prestigious automotive leaders, paving the way for successful careers in the automotive industry.

15th Annual Sports Meet 2026: A Celebration of Spirit and Excellence at GIET

The Annual Sports Meet of GIET, held on 13th & 14th February, was a grand celebration of sportsmanship, dedication, and team spirit. The event was graced by esteemed dignitaries, including Vivekanand Sharma; Gitanjali Panda, International Judo referee and coach; Susama Behera; Sudersan Patnaik; and Dr. J. P. Mishra, Vice-Chairman of the college. Their inspiring presence and motivating words encouraged the participants, while prizes were awarded to the champions. The event showcased remarkable talent, determination, and the true spirit of unity among students—celebrating victories, teamwork, and unforgettable memories.

Future Ready Technologies: A Hands-on Workshop on AI, Robotics & Drone Technology

The Department of Electrical and Computer Engineering successfully conducted "Future Ready Technologies: A Hands-on Workshop on AI, Robotics & Drone Technology," where participants explored cutting-edge AI tools, next-generation robotics, and the latest drone technologies through immersive, hands-on sessions.

Hosted a Road Safety Awareness Seminar organized by Rotary Club of Bhubaneswar.

GIET, Baniatangi proudly hosted a Road Safety Awareness Seminar organized by the Rotary Club of Bhubaneswar Angela, graced by the esteemed presence of Manoj Kumar Tripathy, Rotary District Governor, along with Dr. J. P. Mishra, Vice-Chairman, and distinguished Rotary leaders, RTO officials, Addl. SP, other district administration officials, faculty, and students. The event featured an awareness rally through Khordha town, an interactive quiz session, and prize distribution—reinforcing the message that responsible driving saves lives. Together, let us commit to safer roads and a safer future.

Seminar on “The Evolution of AI & Data”

GIET, Baniatangi strengthened AI awareness through a focused seminar on “The Evolution of AI & Data,” bringing valuable industry insights directly to aspiring engineers. The initiative reflects the institution's commitment to future-ready education aligned with India's national vision for artificial intelligence.

Expert talk on “Human Capital for an AI-Ready Workforce”

GIET, Baniatangi reinforced its commitment to future-ready education through the AI-Focused Pre-Summit Event 2026, featuring an expert talk on “Human Capital for an AI-Ready Workforce” by Subrat Kumar Sahoo. The session highlighted the institution's strong focus on industry alignment and emerging technologies in the field of artificial intelligence.
