BANIATANGI, BHUBANESWAR, KHORDHA - 752060

(Approved by AICTE & Govt. of Odisha, Affiliated to IPUT & SCTE&VT)

- University Semester Examination/ Result Analysis Report 2018-19 has been sent to Dean Academic.

Agenda3: Up gradation of teaching-learning methodology

Dean Academics suggested reviewing the teaching-learning methodology. He further suggested to the faculty to adopt Innovative processes in where a combination of the conventional lecture method along with other methods will help the young minds to increase their learning capacity. IQAC team members have recommended including following methodologies in the teaching-learning process.

- To use course material from NPTEL video lecture, LCD projector, webinars and Swayam.
- Modern multi-media teaching aids like OHP, multimedia projectors, Internet enabled computer systems are employed in most of the classroom
- E-resource center (e-library) system is available for the students
- Conduct of Student Seminars.
- Conduct of Assignments, tutorials, Classroom tests and Group discussions on Case studies.
- Conduct of remedial /backlog classes and special classes for slow learners so as to improve the learning skills of the student
- Depute of students to conferences, seminars, and workshops which in turn helps the students to acquire paper presentation /preparation, communication and event participation skills.
- To teach content beyond the syllabus.

Resolution 1:

It is hereby resolved that teaching-learning methodology will be reviewed for every subject of all Department by their HODs and as per recommended by the IQAC member the teaching methodology will be improved.

Agenda 4: Review of outcome-based education

Outcome Based Education (OBE) focuses on the skills and results achieved by the student as the most important aspect of education. Most quality assurance practices are based on this methodology. OBE does not rely on the conventional teaching methods. It believes, instead of rankings and exams, the use of assessments, opportunities and classroom experiences should all provide necessary support for the students to achieve their goals. For achieving all these methodologies Programme Educational Objectives (PEOs), Programme Outcomes (POs), and Programme Specific Objectives (PSOs) are
