(NAAC Accredited A+ Grade Engineering College)

BANIATANGI, BHUBANESWAR, KHORDHA - 752060

(Approved by AICTE & Govt. of Odisha, Affiliated to BPUT & SCTE&VT)

- Departmental Academic Calendar has been published by concern HODs for their Department.

Up gradation of teaching-learning methodology

Dean Academics suggested reviewing the teaching-learning methodology. He further suggested to the faculty to adopt Innovative processes in where a combination of the conventional lecture method along with other methods will help the young minds to increase their learning capacity. IQAC team members have recommended including following methodologies in the teaching-learning process.

- To use course material from NPTEL video lecture, LCD projector, webinars and Swayam.
- Modern multi-media teaching aids like OHP, multimedia projectors, Internet enabled computer systems are employed in most of the class room
- E-resource center (e-library) system is available for the students
- Conduct of Student Seminars.
- Conduct of Assignments, tutorials, Classroom tests and Group discussions on Case studies.
- Conduct of remedial /backlog classes and special classes for slow learners so as to improve the learning skills of the student
- Depute of students to conferences, seminars, and workshops which in turn helps the students to acquire paper presentation /preparation, communication and event participation skills.
- To teach content beyond the syllabus.

Resolution 1:

It is hereby resolved that teaching-learning methodology will be reviewed for every subject of all Department by their HODs and as per recommended by the IQAC member the teaching methodology will be improved.

Review of outcome based education

Outcome Based Education (OBE) focuses on the skills and results achieved by the student as the most important aspect of education. Most quality assurance practices are based on this methodology. OBE does not rely on the conventional teaching methods. It believes, instead of rankings and exams, the use of assessments, opportunities and classroom experiences should all provide necessary support for the students to achieve their goals. For achieving all these methodologies. Programme Educational Objectives (PEOs), Programme Outcomes (POs), and Programme Specific Objective (PSOs) for every department is suggested by all HODs. Dr. N. Agasti, HoD, MBA also raised and suggested to form Course Outcome of every subject of all the departments by their concern course teacher.

Resolution 2:

It is hereby resolved that to formulate and implement PEO, POs and PSOs for every department.

Resolution 3:

It is hereby resolved that to formulate and implement to attain the COs of every subject of all the departments.

Addition of study materials and tutorials for slow learners department wise for the students

A "slow learner" is the student who has the ability to learn necessary academic skills, but at rate and depth below average same age peers. In order to grasp new concepts, a slow learner needs more time, more repetition, and often more resources from teachers to be successful. Dr. Jibanananda Jena, Principal has suggested to all HODs to identify the slow learners and list out them. Dr. A. Chhotray suggested preparing study materials and tutorials for the slow learners.

Resolution 4:

It is hereby resolved that department wise the list of slow learners students are to submitted to Dr. J. Jena, Principal by all HODs.

Resolution 5:

It is hereby resolved that subject wise the preparation of study materials and tutorials.

Identification of potential rank holders and make necessary actions taken for them

Dr. Jibanananda jena, Principal suggested to all HODs to identify the potential rank holders and guide them to excel in their carrier. He also suggested to the list of interested Students and guides them to pursue their higher studies either in India/Abroad. He also suggested to list out the student department wise and helps them on scholarships and admissions.

Resolution 6:

It is hereby resolved that to list out the students having potential rank holders.

Resolution 7:

It is hereby resolved that to guide the list out students for excel carrier.

Regarding symposia, seminars, conferences, workshops, FDPs etc.,

Prof.(Dr.) Sambit Kumar Mishra, Dean (R&D) have suggested reviewing all the National and International Level Seminars, conferences, workshops, symposium, FDP etc., of all the Department.

Resolution 8:

It is hereby resolved that every Department should conduct National and International Level symposia etc.,

Resolution 9:

It is hereby resolved that each department should conduct one day seminar or workshop for the benefit of students.
